A. Chairman

1. Correspondence received. Mr. Nielsen stated correspondence has been received but will be reviewed later in the Executive Director’s section.

B. Executive Director.

1. USEPA Brownfield Grant Extension. Mr. Novak stated that a request was submitted to the USEPA to extend our current Brownfield Program, which deals with both hazardous material as well as the petroleum related items. He further stated we have spent approximately $169,000.00 of the $200,000.00. The remaining funds will be spent. Mr. Novak also stated we will also be applying for an additional $200,000.00 as soon as the funding becomes available and these funds will become available Fall of 2016. The USEPA is pleased with the accomplishments that have been made in our Community. To that extent, we have been granted a one year extension from the USEPA to continue our current program.
