I. Roll Call. The meeting was called to order at 5:35 p.m. by Chairman Carl
       Nielsen with roll call indicating a quorum present.

II. Report of Chairman.

   A. Amendment to Bidding Requirements (Insurance). Mr. Mullins explained that
      once an insurance company secures a bid with an underwriter, no other company
      can use that same insurance company or that underwriter. He further stated that
      this does not need to be bid out every year, perhaps every two (2) to three (3)
      years this needs to be bid out to make sure nothing changes or if there is a
      significant rate increase then it should be bid out. He recommended that the
      Agency leave this particular matter as is. Mr. Novak and Mrs. Smith suggested
      an exception for this particular matter. Mr. Mullins made a Motion to change the
      language for rebidding the insurance policy every year. Seconded by Mr.
      Sommers. Motion carried.

   B. Revisions to Special Events Application. Mr. Novak stated changes needed to be
      made to the Special Events Application to accommodate Color Run and Rockin’ on the
      River. Mr. Novak stated the first change deals with "the right to approve any and all
      scheduled events for Black River Landing" inserting the words "or deny" after "approve."
      The second change deals with Heidelberg as the main vendor, we are not doing the
      Labatts Blue Concert Series, so that item needs to be deleted. The third change deals
      with wrist bands. Bob Early is not going to use wristbands. He has his own procedure and
      his own way of checking ID’s. That item needs to be deleted. The fourth change needs to
      add the Lorain Port Authority and the City of Lorain as additional insured. The fifth
      changes adds “at all times” to the Access Section. The offensive language clause is
      recommended to be deleted at the recommendation of the Board. Concerning dockage,
      Mr. Novak stated the Marine Patrol suggested if the boaters are intoxicated, they want to
      insure they stay at the dock. A rate chart for dockage has been prepared that is
      associated with dockage prices. Also, for cleaning the restrooms and the grounds,
allowing other Vendors that are preauthorized by the Port Authority aside from Murray Ridge.

A lengthy discussion ensued concerning the dockage aspect. Mr. Nielsen stated the Marine Patrol should make a presentation regarding this matter. Ms. Carr made a Motion to revise the Special Events Application without dockage. Seconded by Mr. Mullins. Motion carried.

Classical Construction and Cornice Company were the two acceptable bids. The low bidder for the base bid is Classical Construction at $119,800.00. Mr. Novak further stated as of right now we do not have the money to do the garage doors.
