Mr. Novak had the opportunity to meet with the Corps of Engineers as well as the OEPA earlier today to discuss our confined disposal facility and the new Legislation passed by the State prohibiting open lake dumping after 2020. Mr. Novak extended the invitation to the Board to attend this Conference. Mr. Novak also stated an informational meeting will be scheduled with the City of Lorain and he will inform the Board of the dates.

2. Tax Exempt Financing. Mr. Novak began by stating this handout is for informational purposes. Mr. Novak further stated there was a proposal from the IRS to change the definition of what is termed a “Political Subdivision.” If a change is made, it would terminate the Agency’s status as a governmental entity. Mr. Novak also stated one of the recommendations is, due to the fact that the Board is appointed by the Mayor, an election of Board members would take place. Mr. Novak stated, if that change does occur, the Agency would no longer be allowed
to issue Tax Exempt Bonds. Mr. Novak stated the Agency is strongly
objecting to this change. Mr. Novak further stated cities would also not
be permitted to issue Tax Exempt Bonds.

3. **Bond Issuance.** Mr. Novak stated the Ohio Guidestone, a non-profit
organization in Cuyahoga County has turned in their application along with
the fee for issuance of tax free bonds. Mr. Novak stated this Bond issue
would close at the end of June 2016.

4. **Allen Thorley-DeLloyd Insurance.** The Agency has been extremely
satisfied with Larry Kerr’s performance and service and the price is
satisfactory, saving the Agency $40,000.00. The cost is $62,833.00.

Ayes:  7      Nays:  0      Abstain:  0      Resolution passed

IV. **Report of Committees.**

A. **Contract Management Committee –**

1. **Maintenance Contracts Update.** Ms. McClelland stated several issues
need to be addressed. Mrs. Smith indicated a pool of workers would be
utilized to complete the work that needs to be done. Mrs. Smith also
indicated that those asking for a fee waiver would be given a list of jobs
that need to be done in exchange for the waiver.

2. **Grant Project Update.** The grant options included applying for the
Natureworks Grant to either install a dock at Riverside Park or extend the
dock at Black River Landing, dependent upon the results of the Local
Government Safety Capital Grant Program application that was previously
submitted. The Market District Development Grant for replacing benches
and picnic tables at Riverside Park was also discussed as an option. It was
concluded to wait on the decision of the Local Government Safety Capital
Grant Program decision and not to pursue the Natureworks Grant at this
time as it was not a large enough amount to do the preferred project of a
dock installation at Riverside Park and to apply for the Market District
Development Grant.
Mr. Nielsen presented:

A RESOLUTION AUTHORIZING THE EXECUTIVE DIRECTOR OR HIS DESIGNEE TO FILE AN APPLICATION WITH LORAIN COUNTY SOLID WASTE MANAGEMENT DISTRICT FOR A 2016 DISTRICT MARKET DEVELOPMENT GRANT. IT HAS BEEN MODIFIED FOR THE MAXIMUM OF $32,000.00 WITH A MATCH OF $16,000.00.

Mr. Mullins made a Motion that the Agency agrees to keep the trip at $25.00 per person for the Port Authority, but at the end of the year the Lighthouse Group needs to have 168 passengers for the Port Authority to break even based on 14 trips at $25.00 per person and if they fail to reach that goal, then the Lighthouse Group owes the Port Authority and if they get above that, then they get to keep the proceeds for themselves.
