RESTRICTIONS

As Black River Landing continues to be developed based on funding sources, the Lorain Port Authority has adopted a measured use approach to park rental and programs the park accordingly.

As part of the Lorain Port Authority's mission to promote public access to the waterfront, the Port programs the park with a variety of events throughout the year. In addition, the Port works in partnership with volunteer organizations to produce community festivals.

At the discretion of the Lorain Port Authority, Black River Landing may be closed to the public and rented for ticketed events. The Lorain Port Authority reserves the right to approve or reject any and all scheduled events for Black River Landing.

RENTAL FEES

Rental includes the entire event site, including the Transportation Center building. The stage may not be rented separately. A $1,000 deposit is required to reserve a rental date. Dates will not be held without a deposit. **Applications for rental must be submitted at least 180 days prior to the event date.**

The site is rented “as is” for special events. The Lorain Port Authority is not responsible for making any changes and/or modifications to the property or any provisions required by any Federal, State, or Local governmental regulations for a rental event.

**When renting the site, any additional electrical requirements must be organized and ordered through the Lorain Port Authority. A fee schedule is attached to this application.**

Cost to rent Black River Landing for non-profit organizations holding a community event is $1,400 based on a one-day rental fee. For multiple day events there is a $700 per day fee, in addition to the initial $1,400 rental fee.

Upon review of an event, the Lorain Port Authority will determine whether security is necessary and the renting organization will be responsible for those fees, based on an hourly rate per officer, per hour.

Cost to rent Black River Landing for an organization requiring that the park be closed to the general public is $2,600. For multiple day events there is a $1,300 per day fee, in addition to the initial $2,600 rental.
