Good morning,

As we discussed yesterday, the City is running a summer camp for local kids. We are looking to take the kids on a boat trip up the river on Tuesday, July 21, 2015, to at least the Heron Rookery to talk to them about restoration work and water quality. It looks like we'll have b/w 30 and 35 kids. Please let me know if the Port is able to sponsor this trip and any logistics we'll need to work out prior to.

Thanks,
