Dear Mr. Richard Novak,

June 12, 2013

As Program Director for the Lorain Cooperative Ministry, I am asking again for your generosity in the use of The Black River Landing Facility on August 29, 2013 for our annual Free Farmers Market.

We are a non-profit organization providing services to those in need throughout Lorain County. For the past two years we have held the market at your site and met the needs of 4,725 people. We are blessed to have the opportunity to hold this event at your site again this year allowing us to bring more produce and safely serving those in need in our county.

In our Ministry we are blessed with the ability to be supported through grants and monetary donations. We therefore respectfully request a fee waiver for the use of the site and in turn would like to offer volunteers to assist you in the up-keep and beautification projects to help Ralph Bruening and his crew this fall.

Thank you for your consideration. Feel free to contact with any questions at my cell phone, 440-522-9208.

May God bless you!
