

1-15-14

Lorain Port Authority Board,

The American Cancer Society is having their 9<sup>th</sup> annual Fundraising event, Relay For Life of Lorain on July 19<sup>th</sup> to the 20<sup>th</sup> of 2014 at Black River Landings.

We have teams and volunteers come out to help us celebrate our cancer survivors, remember those that we have lost and fight back against the disease.

Our event starts off with a special ceremony for our Survivors and Caregivers with an opening lap to serve as a testament to the fight against cancer and hope for a cure. Once they have made that joyous accomplishment, we invite each of them to join us for a lunch that is provided by local volunteers and committee members in the Black River Landings Transportation building.

We ask each of you to help us cut our costs for the fee of the building that is being used for our Survivor Lunch on Saturday July 19<sup>th</sup> from 12:30 to 2:30pm. And reduce the fee for the pavilions that are being utilized by our teams and volunteers to raise money to fight cancer.

Thank you,

Suzan Piskur  
Relay For Life Specialist
